

SCHOLARSHIP OPPORTUNITIES

FOR CAMP STUDENTS

UC Irvine Scholarships Resource Center scholarships@uci.edu

Last Updated February 2016

The UC Irvine Office of Financial Aid and Scholarships has compiled this listing of internal and external scholarship opportunities geared for CAMP students. UC Irvine has various scholarships for students based on academic achievement, financial need, city of residence, and special skills. Please visit our online Scholarships Resource Center for more scholarship opportunities, and to view a complete listing of external scholarship opportunities www.ofas.uci.edu/src.

Please be advised that the Office of Financial Aid and Scholarships and the University of California, Irvine is impartial to the views and opinions of the external scholarships compiled in this listing. Eligibility requirements and application deadlines may change without our knowledge.

UC IRVINE SCHOLARSHIPS

Scholarship: **Christine Jones Memorial Endowed Scholarship**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Merit-based scholarship awarded to a female undergraduate student in the Henry Samueli School of Engineering. The scholarship amount will vary depending upon funding availability and the number of eligible students.

Eligibility Requirements:

- Female
- Undergraduate student
- All engineering majors
- Minimum 2.5 GPA
- Work 15 hours per week or more during the school year to supplement educational funding

Scholarship: **Dr John R. Miltner / Irvine Health Foundation Endowed Memorial Scholarship**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Eligibility Requirements:

- Undergraduate student
- 3.5 minimum cumulative GPA
- Junior or Senior student status
- Record of significant campus leadership
- Health-related studies and career

Scholarship: **Deborah And Peter Pardoen Memorial Endowed Scholarship**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Merit based scholarship awarded to students studying mechanical or aerospace engineering. The scholarship amount will vary depending upon funding availability and the number of eligible students.

FINANCIAL AID AND SCHOLARSHIPS
UNIVERSITY of CALIFORNIA • IRVINE

Eligibility Requirements:

- Undergraduate student
- Mechanical or Aerospace Engineering major
- Good academic standing

Scholarship: Engineering Dean's Excellence Scholarship

Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

The Engineering Dean's Excellence Scholarship will support meritorious engineering students who demonstrate academic and personal commitment to the school, university and their local community.

Eligibility Requirements:

- Engineering major
- Minimum GPA of 3.25
- Undergraduate student with Sophomore, Junior or Senior (5th year Senior) status.
- Demonstrate school, campus or community involvement.

Scholarship: Engineering Undergraduate Award

Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

The Engineering Undergraduate Award will support engineering students who demonstrate financial need, academic and personal commitment to the school, university and their local community.

Eligibility Requirements:

- Engineering major
- Minimum GPA of 2.5
- Undergraduate student with Sophomore, Junior or Senior (5th year Senior) status.
- Demonstrate school, campus or community involvement.

Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Eligibility Requirements:

- Community college transfer student who plans to finish a Bachelor's degree at UC Irvine in one of the following majors: Chemistry, Earth and Environmental Sciences (or Earth System Science), Earth and Environmental Studies (or Environmental Science), Mathematics, or Physics.
- Open to transfer students who will complete their junior year of study by the end of spring quarter and plan to graduate in the academic year. (Preference will be given to a student with financial need.)
- Minimum UCI GPA to apply: 3.5
- Applicants must list a minimum of one UCI faculty member who we can contact for a recommendation. Maximum of three UCI faculty members may be listed.

Scholarship: The UCI XIV Dalai Lama Endowed Scholarship

Apply: This scholarship is awarded through a paper application process. To download an application, please visit our website. Students must submit the completed application to the Office of Financial Aid and Scholarships located at 102 Aldrich Hall.

The UCI XIV Dalai Lama Endowed Scholarship supports exceptional UCI undergraduate students who want to design and launch ambitious "compassion-in-action" projects aimed at engaging campus and/or community members in order to increase their awareness in one or more of the following areas: ethics, compassionate leadership, local and global responsibility, and/or peace. The UCI XIV Dalai Lama Endowed Scholarship awards one student up to \$10,000 for their fees as well as a grant of up to \$10,000 from the Dalai Lama Fellows to support the project costs.

The recipient of the UCI Dalai Lama Scholarship becomes part of the Dalai Lama Fellows global community and benefits from a generous grant for project costs and guidance for project implementation.

Eligibility Requirements:

- Must have completed a minimum of 90 units of UCI-accepted coursework;
- Must have a minimum 3.0 cumulative UCI grade point average;
- Must plan to be enrolled full-time at UCI during the academic year; and
- Must submit a completed and signed application (with all required attachments)

EXTERNAL SCHOLARSHIP OPPORTUNITIES

The Office of Financial Aid and Scholarships has compiled a catalog of external scholarships that are offered through private agencies and organizations. Please visit the External Scholarships Catalog to view a complete listing of external scholarship opportunities: <http://www.ofas.uci.edu/content/OutsideScholarships.aspx?nav=0>

The Office of Financial Aid and Scholarships and the University of California, Irvine is impartial to the views and opinions of the scholarships compiled in the external catalog.

Scholarship: **J. Thomas Miles Memorial Scholarship**
Sponsor: The Society of American Military Engineers
Apply: Please email us at scholarships@uci.edu for an application, or you may pick up an application by visiting our Office of Financial Aid and Scholarships in 102 Aldrich Hall.

Eligibility Requirements:

- Be a Junior or Senior Civil and Environmental Engineering major enrolled full time in the academic year;
- Have a cumulative GPA of at least 3.0.

Scholarship: **S.A.M.E. Orange County Scholarship**
Sponsor: The Society of American Military Engineers
Apply: Please email us at scholarships@uci.edu for an application, or you may pick up an application by visiting our Office of Financial Aid and Scholarships in 102 Aldrich Hall.

Eligibility Requirements:

- Any engineering discipline
- Currently in sophomore or junior year
- 3.0 minimum in major and overall

Scholarship: **Al-Ben Scholarship**
Sponsor: Los Angeles Council of Black Professional Engineers
Apply: Application forms and detailed information available at www.lablackengineers.org/

Eligibility Requirements:

- Undergraduate students enrolled in engineering, mathematical computer studies or scientific studies (chemistry, physics);
- The objective of the program is to stimulate and support the student's interest in these technical areas that traditionally have an under-representation of minority professionals;
- The scholarship is open to students attending college in the United States; however, preference will be given to students that are Los Angeles area (Southern California) residents.

Scholarship: **Alliance/Merck Ciencia Scholarship for High School Seniors**
Sponsor: The National Alliance for Hispanic Health, The Merck Company Foundation and the Merck Institute for Science Education
Apply: Application forms and detailed information available at www.alliancescholars.org

Eligibility Requirements:

- A student of Hispanic heritage;
- In good academic standing and enrolled full-time in an accredited college/university;
- Are a declared major in a STEM discipline and pursuing a Bachelor's degree in a STEM field

Scholarship: **Association of California Water Agencies Scholarship**
Sponsor: Association of California Water Agencies

FINANCIAL AID AND SCHOLARSHIPS
UNIVERSITY of CALIFORNIA • IRVINE

Apply: Application forms and detailed information available at www.acwa.com/content/scholarship/scholarships

Eligibility Requirements:

- A California resident;
- A full-time junior or senior in the year the scholarship will be applied;
- Attending an accredited, publicly funded college or university in California;
- Studying a water-resources related field or discipline;
- Planning to attend school for the complete academic year;

Scholarship: **Association of Physics Students (APS) Minority Scholarship**

Sponsor: Association of Physics Students

Apply: Application forms and detailed information available at www.aps.org/programs/minorities/honors/scholarship/

Eligibility Requirements:

- African-American, Hispanic American, or Native American;
- U.S. citizen or permanent resident;
- Majoring in physics;
- College freshman or sophomore.

Scholarship: **The Google Anita Borg Scholarship**

Sponsor: Google

Apply: Detailed information and application available at <http://www.google.com/anitaborg/us/>

Eligibility Requirements:

- Female
- Will be college senior during award year or graduate student
- Be enrolled in Computer Science or Computer Engineering program, or a closely related technical field as a full-time student
- Minimum cumulative GPA of 3.5

Scholarship: **Hispanic Education Endowment Fund Scholarships**

Sponsor: Hispanic Education Endowment Fund

Apply: Application forms and detailed information available at www.heef.org

Eligibility Requirements:

- Latino/a who has lived in Orange County (OC), CA for the past 6 years
- An OC public or private high school graduate who enrolls fulltime at a 4-year college; an OC community college transfer who enrolls fulltime at a 4-year university; or, an entering or continuing OC community college student who qualifies for a HEEF Subfund that awards community college students.
- Eligible for need based financial aid. All applicants must submit a FAFSA and report their Expected Family Contribution (EFC) on their online HEEF application. Dream Act/ AB 540 applicants must complete the self-reported information section of the online application.
- Eligible for need based financial aid. All applicants must submit financial information, even if they do not submit a FAFSA and report their Expected Family Contribution (EFC) on their online application. Dream Act/ AB 540 applicants must complete the "Applicant Financial Information" section of the online application.

Scholarship: **Hispanic Scholarship Fund Scholarships**

Sponsor: Hispanic Scholarship Fund

Apply: Application forms and detailed information available at www.hsf.net

Eligibility Requirements:

FINANCIAL AID AND SCHOLARSHIPS
UNIVERSITY of CALIFORNIA • IRVINE

- Have a minimum 3.0 cumulative GPA on a 4.0 scale (or the equivalent)
- Be a U.S. citizen OR legal permanent resident with a valid permanent resident card or passport stamped I-551
- Be pursuing or plan to pursue your first undergraduate or graduate degree
- Must plan to apply for federal financial aid using the Free Application for Federal Student Aid (FAFSA) beginning January
