Volunteering opportunities... Save the dates!

Math CEO
Math Community Educational Outreach

Outreach + Teaching experience

Earn fieldwork/volunteering hours here @ UCI

Volunteering with Math CEO offers you a unique opportunity to:

- Be a mentor, a tutor and a role model for underserved youth
- Teach middle school students, without leaving the campus
- Learn about new Common Core math curriculum
- Inspire children to be the first in their families to go to college
- Be part of a friendly community of mentors

Volunteering opportunities... Save the dates!

Mandatory Training
Introduction to the program

Monday 4/1
2-3pm in NS2 1201,
or
3-4pm in NS2 1201

Fieldwork (@ UCI)
Wednesday (2-4 pm)
Apr. 10, 17, 24
May 1, 8, 15, 22
and/or Tuesday (9-10am)
Apr. 9, 16, 23, 30, May 7, 14

STEM campus visits (9-2pm)
May 21, 23

Weekly Training
Recommended (not mandatory)

Monday (2-4pm)
Apr. 1, 8, 15, 22, 29
May 6, 13, 20
more options available

I recommend this awesome program (flexible yet structured) to anybody who plans on working with kids at the middle school level prior to enrolling in a credential program... or even after completing the credential program.
